## **Day 2 Cobourg Peninsula**

Awake to the glassy waters of Cobourg Marine Park, a habitat for dugongs, marine turtles, seabirds, saltwater crocodiles, reef fish and a variety of other animals that inhabit the sea and coastal areas. Zodiac ashore to Garig Gunak Barlu National Park where local rangers guide us through Ramsar-listed wetlands, a major destination for sandpipers, plovers, terns and the great knot, to the haunting ruins of failed pioneering attempts at Port Essington's Victoria Settlement. After lunch, visit Black Point Interpretation Centre, full of artefacts and information about interactions between Aborigines and seafaring Macassans who came to harvest sea cucumbers.

## **Day 3 Maningrida**

Enjoy a dawn approach to the mouth of the Liverpool River then to anchorage off Maningrida. Zodiac ashore to visit the Maningrida Arts and Culture Centre, where local artists produce works destined to feature in galleries throughout the world. As well as paintings, there are woven baskets, mats, dillybags and bark paintings on display (and for sale). At nearby Babarra Womens Cooperative, be engrossed by local artists screen printing stunning designs on fabric.

## **Day 4 Elcho Island**

Visit Elcho Island's Galwin'ku community and the Marthakal Arts Centre where locally made art, including carvings, weavings and paintings are on display. 'Morning Star' poles – long staffs decorated with paintings and exotic feathers, are particularly fascinating. Having rounded the Gove Peninsula overnight, enjoy a unique opportunity to visit the traditional homelands of the Yolju people at Bawaka with your local guide. Spending a day exploring the picturesque Crocodile Islands with the Crocodile Island Rangers. Learn how the rangers combine traditional knowledge with contemporary conservation practices to protect their culture and country. ## **Day 7 Croker Island**

Explore Croker Island, across Bowen Strait from the Cobourg Peninsula. Some believe the island to be the birthplace of the creation being, the Rainbow Serpent. Wandering from grassland to tropical rainforest, watch for dancing brolgas and hunting jabirus, and learn the epic WWII tale of survival – the Croker Island exodus. Featuring in a 2018

documentary of the same name, it's the story of 95 Aboriginal children and their three carers who escaped a Japanese invasion to make an incredible journey from the Top End to Sydney. Back on board, delight in last night celebrations beneath a tropical sunset.

## **Day 7 Darwin**

After breakfast, farewell your expedition team and disembark to be transferred to the airport or hotel.
